This agreement will outline specific grantee responsibilities in accordance with representations made in your application, as well as applicable Federal and/or State programmatic requirements.

As identified in the application package, recipients of AHFC grant funds must provide evidence that they possess required insurance coverage prior to AHFC's execution of the Grant Agreement. In preparation for execution of the Grant Agreement, please provide evidence that you possess all of the applicable insurance coverage listed below. 1. **Workers' Compensation Insurance** for all employees of the Grantee engaged in work under the Agreement, Workers' Compensation Insurance as required by AS 23.30.045. This coverage must include statutory coverage for States in which employees are engaging in work and employer's liability protection for not less than \$100,000 per occurrence. Where applicable, coverage for all federal acts (i.e., USL & H and Jones Acts) must also be included.
2. **Comprehensive (Commercial) General Liability Insurance** with coverage limits not less than \$1,000,000 combined single limit per occurrence and annual aggregates where generally applicable and will include premises-operation, products/completed operation, broad form property damage, blanket contractual and personal injury coverage.

4. **Professional Liability Insurance** if applicable, covering all errors, omissions or negligent acts of the Grantee, its contractors or anyone directly or indirectly employed by them, made in the performance of this Agreement which results in financial loss to the State. Limits required are per the following schedule: Contract Amount Minimum Required Limits:

<u>Contract Amount</u>	<u>Minimum Required Limits</u>

The professional liability insurance requirement may be substituted at the sole discretion of the AHFC Risk Management Department.
